

WHY WORK FOR WALLBRIDGE?

We are an equal opportunity employer committed to building an exceptional company by fostering a stimulating, engaging, and inclusive workplace where all employees can thrive. We share our vision and values to inspire our team and support our continued growth and success.

Joining our team provides you with the opportunity to join a dynamic exploration company with a multi-million-ounce gold resource base and a robust project pipeline. Our projects span from a PEA-stage development project advancing toward a PFS, a high-potential resource growth asset, and a large, under-explored regional land position located directly along trend from Canada's largest producing gold mine.

Position:	Project Geologist
Location:	Fenelon Project, NW Quebec
Department:	Exploration
Schedule:	14/14 – 5/2 as required
Reports to:	Senior Geologist
Employment Type:	Full-time
AI Disclosure:	Artificial intelligence-assisted technology is not used to screen and assess applications.
How to Apply:	In order to apply please send your resume to jobs@wallbridgeminig.com

DUTIES AND RESPONSIBILITIES:

- Commitment to promoting safe work practices and positive workplace environment
- Supervise approved exploration drill and field programs in a safe manner following company standards, policies and procedures:
 - Planning and implementation of drilling programs
 - Supervise drills, produce drilling summaries and follow up on drilling deviations
 - Send daily drilling reports
 - Ensure compliance with occupational health and safety and accident prevention standards and implement corrective measures (if applicable)
 - Ensure that field work is carried out in accordance with operational guidelines and government laws (mines, forestry, environment, municipalities, etc.)
- Supervise the personnel under their purview (geologist, technicians, drillers)
- Participate in the writing of technical and statutory reports for the company, partners (if any)
- Detailed interpretation and ongoing analysis to improve the understanding of mineralization controls for existing deposits
- Develop geological models (lithology, structure, alteration, mineralization) at the regional and deposit scale
- Proposal and development of new exploration targets
- Prepare new permit applications and submit renewals or new permits if necessary

- Ensure compliance with environmental and other regulations and laws
- Mentor and develop Geologists to prepare them for future Project Geologist role

WHAT YOU BRING TO WALLBRIDGE:

- Excellent problem solving, analytical and decision-making skills
- Strong interpersonal skills and experience to lead and work in a team
- Ability to work autonomously and in close collaboration with peers and cross-functional teams
- Must have good organizational and planning skills, and the ability and judgement to readily adapt to changing circumstances in a fast-paced, dynamic environment
- Experience exploring for precious and base metals in diverse geologic settings and field environments
- Background and knowledge of gold-related metallogeny, geochemistry and geophysics within Archean terrane is considered an asset
- Effective computer skills including MS Office and geologic software (e.g., Leapfrog, QGIS, ioGAS, acQuire)

EDUCATION & PROFESSIONAL CREDENTIALS

- Bachelor's degree in geology or equivalent
- P.Geo designation from a provincial association, OGQ preferred
- Minimum relevant work experience of 5 years
- Bilingual French/English is preferred

WE OFFER OUR EMPLOYEES:

- Collaboration with experts in the mining field
- Opportunities for growth within the company
- Excellent company-paid benefits

If you are looking to join an organization that is committed to the health and safety of its employees, values its human capital above all other resources, and continuously improves the way it conducts its business, then this position is for you.

Benefits:

- Dental care
- Disability insurance
- Employee assistance program
- Extended health care
- Life insurance
- On-site gym
- Paid time off
- Vision care
- VRSP
- Competitive compensation and benefits package
- Professional development and career growth opportunities

We are dedicated to maintaining a respectful, diverse, and accessible workplace and welcome applications from all qualified candidates. Accommodations are available upon request throughout the recruitment process in accordance with applicable legislation.

We do not require Canadian work experience except where required by law or professional licensing requirements. Language requirements, where specified, are based on the bona fide requirements of the position. We value every applicant's interest in joining our team. Candidates selected for an interview will be informed of the outcome of the recruitment process within 45 days of their final interview.
